From the South:

Take I-95 North to Exit 45. Follow the exit spur strait all the way to the end. At US Route One, Main Street, head north, one mile. At the Cash Corner Dairy Queen intersection, veer right onto Broadway for 1/2 mile. At your first traffic light at Auto Zone, take a right onto Lincoln Street Extension. The road veers to the right. At your next stop sign, take a left onto Pleasant Street. At the road curve, take a right onto Kingston Street, then take your second left onto Thadeus Street. We are in the far building, outside end Unit #5.

From the North:

Take I-295 South to LEFT Exit 4: "US Route 1, South Portland." Merge into right lane and take "Lincoln Street/Knightville" exit. At stop sign, cross Route 1 and follow signs for Lincoln Street. Pass ACME Autobody and Forest City Cemetery on your left. Eventually, you'll come to the traffic light at Broadway. Cross over Broadway onto the Lincoln Street Extension, keeping Auto Zone on your left. The road veers to the right. At your next stop sign, take a left onto Pleasant Street. At the road curve, take a right onto Kingston Street, then take your second left onto Thadeus Street. We are in the far building, outside end Unit #5.

From the Maine Mall area:

From Tim Horton's coffee shop, at the junction of Maine Mall Road, Running Hill Road and Gorham Road, travel EAST on Gorham Road, keeping Border's Bookstore and Hannaford Supermarket on your right. Gorham Road merges into Western Ave at the Mobil Gas Station and becomes Westbrook Street after you pass the Irving Gas Station on your right. Go UNDER the overpass to the traffic light at Broadway and take a left at the light onto Broadway.

Take a left onto Broadway, keeping the golf course on your right. Just after the road dips under the train overpass, get into the right lane. The Cash Corner Dairy Queen will be on your right. At this big intersection, TRAVEL ACROSS US Route One, keep Pleasant Hill Motors and Willow Pizza on your right. Travel down Broadway for 1/2 mile. At the Auto Zone traffic light, take a right onto Lincoln Street Extension. The road veers to the right. At your next stop sign, take a left onto Pleasant Street. At the road curve, take a right onto Kingston Street, then take your second left onto Thadeus Street. We are in the

far building, outside end Unit #5.
