Qty	Description	Edge Color Black, White Gold, Silver	Style "Plaq" "New Float Plaq" "Masonite w/ no edge"	Bevel Micro Standard	Multiple Mount? Y/N (sketch below)	Finished Size:		
						Width	Height	United Inches
						+	=	Ui
						+	=	Ui
						+	=	Ui
						+	=	Ui

- Please let us do the trimming! Note cropping instructions and diagram. (i.e. keep signature, trim borders away, this edge up, etc.)
- NEW "Float Plaq" is 3/8" board of MDF, floated on a backer. (We no longer float 1/8" Masonite.)
- "Float Plaqs" less than 40 Ui will have a 3/4" profile depth. "Float Plaqs" greater than 40 Ui will have 1 1/8" profile depth. OK to special request either/or depth to match other jobs..
- If you are framing your ARTiPLAQ, request Masonite no edge. We'll mount it on 1/8" hardboard with raw edge only.
- My Special Instructions:
